

MONTHLY SHEET – JANUARY 2017

Dates	Event Report
11 th – 14 th January 2017	<p>Grade 6 trip – Hampi A tour of the local HEP plant, a visit to a local government school to interact with students and carry out some and an eye hospital as well as two visits to the centrepiece attraction, Hampi ruins. The visits involved trekking along the river and climbing one of the higher hills to take in this spectacular site as well as visiting temples and buildings across the sprawling World Heritage Site.</p> <p>Grade 7 trip – Coorg We travelled from early morning arriving at lunchtime. After lunch, we had a brief introduction session followed by a warmup cum ice-breaking session with the INME team on the entire programme. On day two students were split into two groups: one went for a trek to “Thadiyandamol”, one of the highest peaks in Coorg which was very thrilling and informative while the other group had a challenging rappelling activity and knot-tying lessons. Post lunch all had a variety of team events that included learning initiative games and reflections on the activities. Day three was yet another adventurous and thrilling day for all students, where the trek and rappelling/knots got switched between the groups of students. Post lunch, all had a variety of team events different from what they had the previous day which also included learning initiative games and a fun-filled feedback session on the programme.</p> <p>Grade 8 trip –Wayanad On the morning of 11th January 2017, 87 students along with seven teachers departed to Wayanad and we reached the hotel by around 4.00 pm. On 12th went for a trek to EDDAKAL CAVES (World Heritage Site).This is a cave dwelling occupied by the men of monolithic age and involved a trek for about 4000 ft. uphill to reach Edakkal. On their way back, the students did an adventure ZipLine (300 meters) activity across ‘Harrison Malayalam Tea Estate’ followed by a visit to the Tea Factory. On the last day the students were given brief lectures on jungle survival skills by the ‘Muddy Boots’ Team. The main activity for the day was a 90 minutes trek across the tea estate and later through the jungle and finally across a mesmerising waterfall. After lunch, students were exposed to team building activities.</p> <p>Grade 9 trip -Ooty On the first full day, we started early with a trek through the surrounding countryside before breakfast. Students were then able to experience horse riding, monkey crawling, a climbing wall, zip-line and even had the chance to fish (with limited success!!) The next day we trekked to a local Government school and spent the morning there. Our students led English and maths lessons, played sports with their students and led PSHME sessions. Another group of our students helped to paint one of the school buildings. The afternoon was spent back at the farm where they formed groups to test themselves with a variety of team building and logic exercises.</p>
15 th January 2017	<p>World Scholars Cup – Greenwood High School Twelve middle school students took part in this two day event and came back with a sack full of medals. Notable successes included two first places in team events and a second place overall position for Ananya Ganesh.</p>

	Grade 2 Educational Trip- Bannerghatta Zoo
21 st January 2017	<p>Senior School Boys tennis competition -Stonehill School</p> <p>A successful competition with Saad Yenepoya (grade 12) winning Gold in the boys singles event with Rohan Ray (grade 7) getting the silver. In the doubles, both boys were silver medal winners for TISB.</p>
22 nd January 2017	<p>Boys U15 Soccer friendly vs ROOTS Academy</p> <p>TISB won 3-2 following a nail-biting last 10 minutes in which 3 goals were scored.</p>
23 rd January 2017	Primary and Parent Cross Country
24 th - 25 th January 2017	<p>Infinity 2017 at ABWA, Mumbai.</p> <p>Two days were completely filled with mathematical rigor. There were guests from IIT, BITS Pilani, UCLA and Mathematical association of America who spoke about interesting mathematical concepts. 24 schools from various parts of India participated in the event. Rajiv Krishna Kaipa was chosen to present a paper and earned the <u>best research paper award</u>. The TISB team (Rajiv, Sumant and Saaket) also won the quiz event. Overall it was a great learning experience for both teachers and students alike.</p>
24 th January 2017	KG Sports Day
25 th January 2017	Grade LG1- Grade 5 Sports Day
26 th January 2017	<p>Republic Day</p> <p>Flag raising in the morning followed by kite flying in the afternoon.</p>
28 th January 2017	<p>IB Drama performance</p> <p>Rohan and Latika presented their scripted piece to grade 12 students and selected staff followed by an interactive reflection and feedback session with the audience.</p>
29 th January 2017	<p>Misty Hills 10km run</p> <p>Ten students from TISB competed in this race out of a field of over 300 competitors. In the girls' competition, Ananya Reddy came 4th and Aayushi Kunjal Patel 5th. In the boys' competition, Ramit Gupta secured 13th place and Raghav Agarwala 14th place. Congratulations to all our school competitors.</p>
31 st January 2017	<p>Grade 5 Educational Trip Bangalore Walk</p> <p>This included walks around the city to Lalbagh Gardens, a city market as well as a visit to MTR for lunch all as part of the Grade 5 topic on Booming Bangalore.</p>
